# KNOXVILLE, TN VOTER PROTECTION REPORT

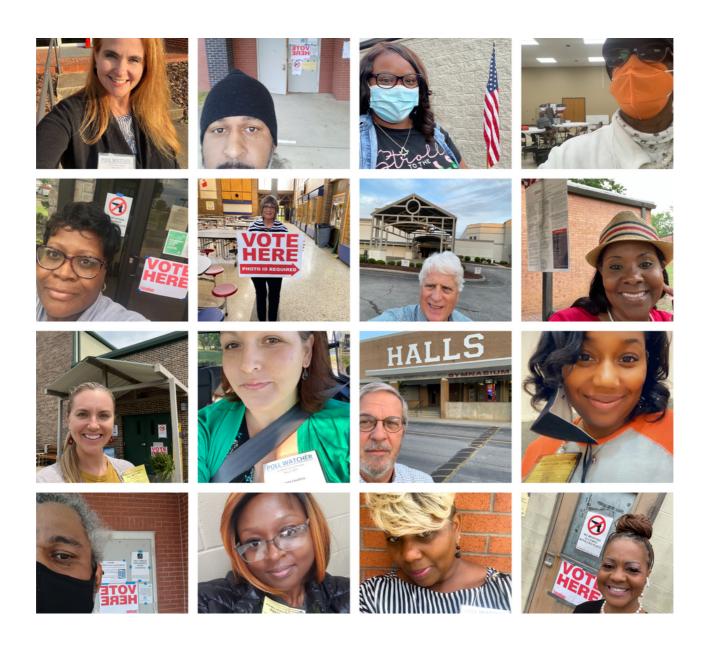

November 7, 2023

### ABOUT ORGANIZE TENNESSEE

Organize Tennessee is a nonpartisan, nonprofit organization dedicated to ensuring that every eligible voter in Tennessee can cast their ballot safely, securely, and easily. We work to protect voting rights, build coalitions, legal support, and organize grassroots campaigns to eliminate barriers and empower disenfranchised Tennesseans. Our election day voter protection includes:

- deploying trained and credentialed poll observers to monitor elections
- address incidents that occur in Tennessee that are reported through national Election Protection hotline (1-866-OUR-VOTE)
- legal boiler room
- election protection partner calls

# HOW WE TRACK INCIDENTS

## **VOTER PROTECTION HOTLINE**

Organize Tennessee partners with the Lawyer's Committee for Civil Rights Under The Law to provide a voter protection hotline number to call if they have issues casting a ballot. The number is 1-866-OURVOTE.

## **POLL WATCHER OBSERVATIONS**

\_

Poll Observers are watching the election process at priority locations across the city. They watch and listen for voters who experience issues, are turned away from voting, or have questions. Poll Observers report 5 times a day on what they've observed while on their shift, and report on active incidents separately so we can support with a resolution.

# KNOXVILLE

We had **5 reports** across Knoxville polling places from the hotline + reported by our Poll Observers.

#### TOP ISSUE: POLLING LOCATION CONFUSION

Voters routinely arrived at the incorrect polling location and where successfully redirected

#### **ELIGIBILITY CONFUSION**

There were many instances where voters thought they lived in Knoxville but did not. This is partially becasue some voters have mailing addresses in Knoxville but do not live within city limits

## ELECTION Commission Notes:

The Knoxville Municipal Run-Off was smooth and efficient -- a credit to the Election Commission and Administrator's hard work.

## We thank you for your ongoing support of our program
